DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: as cited on pages 3-4 of the DECISION ON APPEAL BEFORE THE BOARD OF PATENT APPEALS AND INTERFERENCES, "Seeley fails to disclose that the software may be vended at a vending machine only after a match between identification card biometric data and that obtained from a biometric scanner at the vending machine". Claims 7 and 11 "require a vending machine that can only be enabled upon comparing card data to an actual biometric scan performed at the vending machine" (see DECISION page 6 of BPAI). Claim 1 requires biometric comparison to activate the vending machine" (see DECISION page 6 of BPAI). These features, in combination with the rest of the claim language of independent claims 1, 7 and 11, provide a vending machine apparatus and method of use which is both a novel and useful addition to the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
